

STRONGER TOGETHER

Researchers are united!

Dear authors!

We kindly invite you to publish your articles
in the foreign scientific journal

«*Reality of Politics.*
Estimates – Comments – Forecasts»

No. 26/2023

Submission deadline is up to November 30, 2023

To prospective contributors, the Institute of Political and European Science at the Szczecin University, with the support of the Institute Council and involvement of Publishing House Adam Marszałek, established an annual publication of Reality of Politics. Estimates – Comments – Forecasts.

The aim of local political researchers and scientists is to create a publication presenting a variety of opinions, views, and reflections pertaining to contemporary political issues. Reality of Politics is developed for academic circles. It should facilitate free scientific dialogue and promoted the development of young researchers and scientists.

Exclusively English scientific articles of Doctors and Candidates of Sciences, young scientists (postgraduate students, external doctorate students) as well as practitioners in the field of social, legal sciences and public administration are accepted for publication.

An electronic version of the journal will be available on the official web-site of the Polish Publishing Group «Wydawnictwo Adam Marszałek» on the web page of «Reality of Politics. Estimates – Comments – Forecasts» at the [link](#).

To publish the article in the journal «Reality of Politics. Estimates – Comments – Forecasts» No. 26/2023, you should to send the following materials to rop@cuesc.org.ua before **November 30, 2023**:

- the article meeting the requirements specified by the editorial staff. Authors whose articles don't comply with the requirements are rejected to be published;
- to indicate information about the author at the [link](#);
- payment confirmation.

* The author receives payment details after a successful peer-review. The author is informed about the peer-review results during 3-4 days from the date of materials receipt.

General requirements for a scientific article:

- author can't edit the manuscript once it is submitted, thus we encourage you to send the final version of the paper;
- the editorial staff does not return the submitted materials and reserves the right to make formal changes and add the necessary abbreviations;
- the article should present the author's considerations regarding a particular topic;
- the article should include ideas which are characterized by a high level of generalization and scientific novelty;
- papers: 20.000–40.000 characters with spaces (also including abstracts, references, bibliography, tables, diagrams, and footnotes);
- citation: bibliographic – APA style (in-text).

Technical requirements for article composition:

File format: *.doc; *.docx. Papers: 20.000–40.000 characters with spaces.

Fields – 2 cm (bottom) x 2 cm (top), 3 cm (left) x 1,5 cm (right); indentation – 1,25 cm; line spacing – 1,5 cm; font – Times New Roman; size – 14.

If the article has tables and (or) graphics, they should be compact, entitled: Times New Roman, 12 ps. The size of the tables and graphics shouldn't exceed a page width.

Prohibition to refer to the aggressor state's scholarly papers:

It is prohibited citing and including in the reference list russian-language contributions published in any country, incl. papers written in other languages but published in russia and belarus.

Sequence of placement of structural elements in a research article:

At the front of the article, you should indicate:

title;

surname, name, patronymic of author (-s) of the article (no more than two persons);

job position, place of employment/study, academic degree, rank (if any), e-mail;

ORCID ID. If an author is not logged in ORCID, it is necessary to create an account at the link <http://orcid.org/>;

summary and key words.

Summary volume: minimum 300 words, maximum 350 words. After the summary it is necessary to add 5-10 key words or phrases, none of which duplicates the title of the article.

Text of the article:

Introduction is an obligatory part of the research, where the author indicates topicality of the subject and actuality of scientific decisions. Goal of research should be clearly indicated along with the research tasks. It is necessary to specify the methodology of research, the logic of presentation of the investigated material.

The *main text* should be divided into content-rich sections with separate headings (up to 4-6 words).

The article should contain *conclusions* from the study, which present detailed findings from the study and the prospects for further research in this direction.

References. The references should be placed at the end of the paper in alphabetic order. It is composed according to standards APA (APA Style Reference Citations). There is an author (transliteration), title of the article (in square brackets, English translation), source name (transliteration), source data (city with the English mark), publishing house (transliteration). For example:

Bondarenko, I. (2002). Sudova systema Ukrainy ta yii reformuvannia v suchasnykh umovakh [Judicial system of Ukraine and its reforming in the modern conditions]. Pravo Ukrainy, no. 8, pp. 37–39.

Dikhtiiivskyi, P. V., Lahniuk, O. M. (2015). Kadrove zabezpechennia sudiv zahalnoi yurysdyksii: administratyvno-pravovyi aspekt [Staff assistance of of courts of general jurisdiction: administrative and legal aspect]. Kherson: Helevetyka. [in Ukrainian]

Transliteration of names and surnames is carried out in accordance with the requirements of the Resolution of the Cabinet of Ministers of Ukraine “On Normalization of Transliteration of the Ukrainian Alphabet by Means of the Latin Alphabet” dated January 27, 2010, No. 55.

Example of article design:

CORRELATION OF NORMATIVE RESOLUTIONS WITH NORMATIVE LEGAL ACTS
