

The All-Ukrainian scientific and pedagogical advanced training

EDUCATION QUALITY MANAGEMENT IN A HIGHER EDUCATION INSTITUTION

March 3 – April 13, 2025

The professional advanced training program is developed taking into account the latest scientific approaches to organizing adult learning, advances of psychological, pedagogical, social and behavioral sciences. The program is aimed at developing and improving professional competencies of academic staff of higher and professional pre-higher education institutions following the main areas of modernization of the education and science system, the needs of modern society, establishments and educational institutions, given their individual educational needs. It allows maintaining or improving professional activity and ensuring a high level of education quality.
