

ChatGPT AI Assistant: A Practical Case Study

December 1 – January 11, 2026

CUESC

Center for Ukrainian
and European Scientific
Cooperation

We kindly invite students, novice teachers, academic and research staff, department heads, deans, vice-rectors for research, employees of curriculum and instruction offices, and all interested in the relevant topic to participate in the advanced training.

The professional program of advanced training is based on the latest scientific approaches to the organization of adult learning, achievements of psychological-pedagogical, social, and behavioral sciences. It is focused on the development and advancement of legal, psychological-pedagogical, communicative, communication competencies, as well as practical skills and attainments of interactive communication and professional-personal growth to improve professional communication and the implementation of teaching activities.

Members of the Organizing Committee:

Yahodzinskyi Serhii Mykolaiovych – DSc (Philosophy), Professor, Vice-Rector for Teaching and Guiding, Private Higher Education Establishment “European University”;

Vikhliaiev Mykhailo Yuriiovych – Doctor of Law, Professor, Director, Center for Ukrainian and European Scientific Cooperation.

The workload of advanced training consists of **6 credits ECTS** (180 hours) and distributes 6 hours each day for 6 business weeks.

All participants will be provided with a **collection of abstracts** and **an electronic certificate**.

Registration Procedure:

Participation form: **remote**. Persons who are interested in participation should **before November 28, 2025 (inclusively)**:
1) **fill an application form**;
2) send a copy of payment confirmation to Organizing advanced_training@cuesc.org.ua (the coordinator provides you with payment details when you fill in an application).

NB! From December 1 to January 11, 2026 (inclusively), during the advanced training, participants should send research-methodological abstracts to advanced_training@cuesc.org.ua.

RE: Advanced training on AI assistants.

After February 27, 2026, every participant will receive a collection of abstracts and a certificate via e-mail indicated in the participation form.

The event includes three ZOOM lectures:

December 12th, 14:30 – lecture “Artificial intelligence systems and assistants in education”.

December 19th, 14:30 – lecture-workshop “Personal AI assistant”.

December 26th, 14:30 – lecture “AI in the Google environment: Gembot and NotebookLM”.

Keynote speaker – **Yahodzinskyi Serhii Mykolaiovych**, DSc (Philosophy), Professor, Vice-Rector for Teaching and Guiding, Private Higher Education Establishment “European University”.

A link to the lecture will be sent to all participants after paying participation fees. **Lectures will be saved.**

Academic integrity:

The Organizing Committee of the All-Ukrainian Advanced training guarantees high-quality anonymous peer-review of each contribution. All papers are subject to check for plagiarism using **StrikePlagiarism.com** by the Polish company **Plagiat.pl**.

Prohibition on using the aggressor state's scholarly papers:

Languages: Ukrainian and English. It is prohibited citing and including in the reference list Russian-language publications published in any country, including papers written in other languages but published in Russia and Belarus.
