Re: COLLECTIVE MONOGRAPH IN PHILOLOGICAL SCIENCES.

Target Topics of the Monograph:

- General linguistics.
- Literature of European countries.
- Intercultural communication.
- Language and mass media.
- Translation Studies.
- Romance, Germanic languages.
- Slavic languages and literature.
- Literary theory.
- Ukrainian language and literature.
- Folklore.

Requirements for Articles' Execution:

An article should be a holistic document of scientific content that involves the results of the author's original researchers.

In accordance with the Licensing Requirements for Educational Activities, the volume of the monograph section must be at least 1.5author's sheets **for each co-author** that equals to 60,000 characters with spaces (approximately 30 pages).

Two persons are a maximum number of authors.

Article General Structure:

Author's surname and initials; academic degree and title, post, place of employment; address of office (in English); article title.

A paper has to have the following structure: a short introduction (1–2 pages), 2–3 equally weighted sections and conclusion (1 page),

summary 7–10 sentences in article’s language (to indicate a range of problems and research results).

An article must have per-page citations as well as References at the end of the article. Citations should be indicated with a figure without brackets and dots by virtue of Microsoft Word references.

To improve the quality level of scientific citations in the scientometric database Open Ukrainian Citation Index (OUCI), it is important to indicate **DOI** for every source which it has.

Attention! References are in a source language and executed taking into account the National Standard of Ukraine DSTU 8302: 2015 “Information and documentation. Bibliographic reference. General principles and rules of composition”.
