

Collective monograph

“Sustainable healthcare development: national and global dimensions”

Deadline – May 31, 2024

Under the scientific editorship of Valeriia ZAPOROZHANA, Academician of NAMS of Ukraine, DSc (Medicine), Professor, Rector of Odessa National Medical University

Dear colleagues!

We invite you to participate in the activities of the authors' team to write a collective monograph. We kindly invite scientists, academic staff and postgraduate students, who have or obtain a degree in health, to join the writing of the collective monograph. The future publication will be a result of the activities of the authors' team united by a common idea to present achievements of their researches.

Organizers:

- ISMA University of Applied Sciences;
- Ministry of Health of Ukraine;
- Odessa National Medical University.

Editorial Board:

Romans DJAKONS – Dr.sc.ing., Professor, Academician, President of ISMA University of Applied Sciences;

Tetiana ORABINA – Director of the Department of Medical Sciences of the Ministry of Health of Ukraine, Assistant at the Department of Health Care Management of Bogomolets National Medical University;

Valeriia MARICHEREDA – DSc (Medicine), Professor, First Vice-Rector of Odessa National Medical University;

Viktoriia BORSHCH – DSc (Economics), Associate Professor, Professor at the Department of Health Care Management, Odessa National Medical University, Guarantor of the Educational and Professional Program “Management of Health Care Facilities and Pharmaceutical Business”.

Monograph details:

The monograph is published by the European publishing house “Izdevniecība “Baltija Publishing” (Riga, Latvia) and recommended for printing by the institution’s academic council. Three reviewers, who are mentioned in the monograph’s output data, guarantee an independent review.

The monograph is awarded **ISBN** that permits authors to participate in developing the collective scientific paper published in the country of the EU.

DOI is assigned to every article included in the collective monograph that allows the authors to find their scientific work on the [Open Ukrainian Citation Index \(OUCI\)](#) site, which was developed by specialists of the State Scientific and Technical Library of Ukraine on behalf of the Collegium of the Ministry of Education and Science of Ukraine.

The monograph will be available on the website of the European publisher “Izdevnieciba “Baltija Publishing” [at the link](#).

The authors of the collective monograph’s section receive an electronic layout of the collective monograph and a certificate.

Why is the publication of the monograph section valuable?

*(for fulfilling the licensing conditions,
to obtain the degree of Doctor and Candidate of Sciences,
for awarding the degree of Doctor of Philosophy (PhD),
for young scientists)*

[LEARN MORE](#)

Monograph Target Topics:

1. Restoration and development of a sustainable national model of the healthcare industry in Ukraine.
2. Innovative technologies for shaping strategies for sustainable development of healthcare and medical education.
3. Development of digital technologies in healthcare.
4. Implementation of artificial intelligence in the healthcare sector.
5. The role of university clinics in the development of higher medical education institutions.

Registration Procedure:

To publish contributions in the collective monograph, authors should act as follows:

1. [fill in an application form](#) and send a manuscript to med@cuesc.org.ua for peer-review **before May 31, 2024**;
2. send a copy of the payment confirmation following the manuscript's approval for publication.

Re: Collective monograph on public health.

Key Dates:

The submission of application forms and articles for publishing in the monograph: before May 31, 2024 (inclusively).

Feedback on papers acceptance: within 1–2 working days after papers receipt.

E-mail distribution of the monograph's layout and the certificate: after September 27, 2024.

Academic integrity:

The Organizing Committee guarantees high-quality anonymous peer-review of each monograph section. All monograph sections are subject to checking for plagiarism using StrikePlagiarism.com by the Polish company Plagiat.pl.

Prohibition to refer to the aggressor state's scholarly papers:

We kindly note that the monograph languages are Ukrainian, English, and Latvian. It is prohibited citing and including in the reference list russian-language contributions published in any country, incl. papers written in other languages but published in russia and belarus.

Article Requirements:

An article should be a holistic document of scientific content that involves the results of the author's original researchers.

The volume of the monograph subsection should be at least 15-30 pages. A4 paper format, line space - 1,5; Times New Roman, 14 size; all margins - 20 mm.

3 persons are a maximum number of authors.

Languages: Latvian, English and Ukrainian.

Article General Structure:

Monograph section name; author's surname and initials in the publication's language.

A paper should have the following structure: a short introduction (1-2 pages), 2-3 equally weighted sections and conclusion (1 page), summary: 7-10 sentences in the article's language (to indicate a range of problems and research results).

The article must have per-page citations as well as References at the end. Citations should be indicated with a number without brackets and dots using Microsoft Word references.

To improve the quality level of scientific citations in the scientometric database [Open Ukrainian Citation Index \(OUCI\)](#), it is important to indicate **DOI** for every source which it has.

Attention! References are in a source language and executed taking into account the National Standard of Ukraine [DSTU 8302: 2015 "Information and documentation. Bibliographic reference. General principles and rules of composition"](#).

Author's full name and information: scientific degree and rank, post, affiliation; address of employment place (in English regardless of the publication's language).

Attention! In case of submitting a non-English article, an author should additionally submit an English name of the section and its structural elements (subsections) (see a design sample).
