ISMA
ANNO 1994

Sumy State Pedagogical University named after A. S. Makarenko
ISMA University of Applied Sciences

Dear colleagues!

*We invite you to participate in the activities of the authors' team
to write a collective monograph*

“Biological sciences and education in the context of European integration”

*Scholars, academic staff, and postgraduate students, who have or are obtaining
a degree in natural education, are invited to contribute
to writing a collective monograph.*

*The future publication will be a result of the activities of the authors' team united
by a common idea to present achievements of their researches.*

IZDEVNIECĪBA
BALTIJA
PUBLISHING

The monograph is published by the European publishing house “**Izdevniecība “Baltija Publishing”** (Riga, Latvia) and recommended for printing by the institution’s academic council. Three reviewers, who are mentioned in

the monograph’s output data, guarantee an independent review.

The monograph is awarded **ISBN** that permits authors to participate in developing the collective scientific paper published in the country of the EU.

DOI is assigned to every article included in the collective monograph that allows the authors to find their scientific work on the Open Ukrainian Citation Index (OUCI) site, which was developed by specialists of the State Scientific and Technical Library of Ukraine on behalf of the Collegium of the Ministry of Education and Science of Ukraine.

The monograph will be available on the website of the European publisher “Izdevniecība “Baltija Publishing” at the link.

The authors of the collective monograph’s section receive an electronic layout of the collective monograph and a certificate.

Why is the publication of the monograph section valuable?
*(for fulfilling the licensing conditions,
to obtain the degree of Doctor and Candidate of Sciences,
for awarding the degree of Doctor of Philosophy (PhD), for young scientists)*

Editorial Board:

Djakons Romans - Dr.sc.ing., Professor, Academician,
President of ISMA University of Applied Sciences;

Lytvynenko Yuliia Ivanivna - PhD in
Biology, Associate Professor, Head of
the Department of Biology and
Methods of Teaching Biology, Sumy
State Pedagogical University named
after A. S. Makarenko;

Henkal Svitlana Eduardivna - PhD in
Pedagogy, Associate Professor, Senior Lecturer at the
Department of Biology and Methods of Teaching Biology,
Sumy State Pedagogical University
named after A. S. Makarenko;

Mironets Liudmyla Petrivna - PhD in
Pedagogy, Associate Professor, Senior Lecturer at the
Department of Biology and Methods of Teaching Biology,
Sumy State Pedagogical University named after
A. S. Makarenko.

Key Dates:

The submission of application forms and articles for publishing in the monograph: before March 29, 2024 (inclusively).

Feedback on papers acceptance: within 1-2 working days after papers receipt.

E-mail distribution of the monograph's layout and the certificate:
after June 14, 2024.

Academic integrity::

The Organizing Committee guarantees high-quality anonymous peer-review of each monograph section. All monograph sections are subject to checking for plagiarism using [StrikePlagiarism.com](https://www.strikeplagiarism.com) by the Polish company [Plagiat.pl](https://www.plagiat.pl).

Registration Procedure:

To publish contributions in the collective monograph, authors should act as follows:

1. **fill in an application form** and send a manuscript to **nature@cuesc.org.ua** for peer-review **before March 29, 2024**;
2. send a copy of the payment confirmation following the manuscript's approval for publication.

Re: Collective monograph on biological sciences and education.

Monograph Target Topics:

1. Priority areas for the development of biological sciences in the context of European integration.
2. Scientific and technical potential of biological sciences in Ukraine in the context of European integration.
3. European integration of biological education: research and prospects.
4. European integration practices in education and research.
5. Professional and pedagogical training of specialists to work amidst European integration of the educational space.
6. Historical aspects of the development of biological science and education in Europe.

Prohibition to refer to the aggressor state's scholarly papers:

We kindly note that the monograph languages are Ukrainian, English, and Latvian. It is prohibited citing and including in the reference list russian-language contributions published in any country, incl. papers written in other languages but published in russia and belarus.

Article Requirements:

An article should be a holistic document of scientific content that involves the results of the author's original researchers.

The volume of the monograph subsection should be at least 15-30 pages. A4 paper format, line space - 1,5; Times New Roman, 14 size; all margins - 20 mm.

3 persons are a maximum number of authors.

Languages: Latvian, English and Ukrainian.

Article General Structure:

Monograph section name; author's surname and initials in the publication's language.

A paper should have the following structure: a short introduction (1–2 pages), 2–3 equally weighted sections and conclusion (1 page), summary: 7–10 sentences in the article's language (to indicate a range of problems and research results).

The article must have per-page citations as well as References at the end. Citations should be indicated with a number without brackets and dots using Microsoft Word references.

To improve the quality level of scientific citations in the scientometric database Open Ukrainian Citation Index (OUCI), it is important to indicate **DOI** for every source which it has.

Attention! References are in a source language and executed taking into account the National Standard of Ukraine DSTU 8302: 2015 “Information and documentation. Bibliographic reference. General principles and rules of composition”.

Author's full name and information: scientific degree and rank, post, affiliation; address of employment place (in English regardless of the publication's language).

Attention! In case of submitting a non-English article, an author should additionally submit an English name of the section and its structural elements (subsections) (see a design sample).
