

UNIwersYTET MEDYCZNY  
W LUBLINIE

**MEDICAL UNIVERSITY OF LUBLIN**  
**(Uniwersytet Medyczny w Lublinie)**

*Dear colleagues!*

*We invite you to participate in the activities of authors' team in order to elaborate a collective monograph*

**«The modern stage of the development  
of medical education in Ukraine and EU countries»**

**Deadline: May 28, 2021**

Scientists, lecturers and postgraduate students are invited to participate in elaborating the collective monograph. Research papers of postgraduate students should be coauthored with a scientific adviser.

The future publication will be a result of the activities of the authors' team united by a common idea to present achievements of their researches.

**EDITORIAL BOARD**

Prof. dr hab. n. o zdr. **Bartłomiej Drop** (Kierownik Zakładu Informatyki i Statystyki Medycznej z Pracownią Zdalnego Nauczania Uniwersytetu Medycznego w Lublinie)

Prof. dr hab. n. o zdr. **Marian Jędrych** (Zakład Informatyki i Statystyki Medycznej z Pracownią Zdalnego Nauczania Uniwersytetu Medycznego w Lublinie)

Prof. dr hab. n. med. **Krzysztof Giannopoulos** (Kierownik Zakładu Hematoonkologii Doświadczalnej Uniwersytetu Medycznego w Lublinie)

Mode of publication – scientific, A5, **hard cover.**

Each co-author will receive a **certificate.**

Authors of the collective monograph will receive **1 copy of the publication.**

Papers are accepted in Ukrainian, English, Polish and Russian.

## Why is the publication of the monograph section valuable?

(for obtaining the degree of Doctor and Candidate of Sciences, for awarding the degree of Doctor of Philosophy (PhD), for young scientists)

### [LEARN MORE](#)

The monograph is produced by the European publishing house “Izdevniecība “Baltija Publishing” (Riga, Latvia) and recommended by the Academic Council of the scientific institution for printing. Three peer-reviewers, whose names are mentioned in the output data, ensure a high-quality independent peer-review. The monograph is assigned **ISBN** that will empower authors to participate in developing a collective scientific paper published in the country of the European Union.

Every article included in a collective monograph is awarded **DOI**, which allows the authors to find their scientific work on the [Open Ukrainian Citation Index \(OUCI\)](#) site, which was developed by specialists of the State Scientific and Technical Library of Ukraine on behalf of the Collegium of the Ministry of Education and Science of Ukraine and Presented on November 12, 2019.

**Submission of applications and articles for publishing in the monograph:** before May 28, 2021 (inclusively)

**Feedback on papers acceptance:** within 5-7 working days after papers receipt

**E-mail distribution of monograph's mock-up:** on August 13, 2021

**Postal mailing of printed copies:** on August 27, 2021

## REGISTRATION PROCEDURE

The authors should send the following documents for publishing papers in the collective monograph to [med@cuesc.org.ua](mailto:med@cuesc.org.ua) before **May 28, 2021**

1. [application form in a separate file](#);
2. scientific paper for publishing;

**Re:** COLLECTIVE MONOGRAPH MEDICAL SCIENCES

## TARGET TOPICS OF THE MONOGRAPH:

1. Clinical medicine;
2. Theoretical medicine;
3. Pharmaceutical sciences;
4. Medical and Biological sciences: innovations of the future;
5. Preventive medicine;
6. Veterinary medicine

## REQUIREMENTS FOR ARTICLES' EXECUTION:

- an article should be a holistic document of scientific content that involves the results of the author's original researchers;
- in accordance with the [Licensing Requirements for Educational Activities](#), the volume of the monograph section must be at least 1.5 author's sheets for each co-author that equals to 60,000 characters with spaces (approximately 30 pages);
- two persons are a maximum number of authors.

## ARTICLE GENERAL STRUCTURE:

- author's surname and initials; academic degree and title, post, place of employment; address of office (in English); article title;
- a paper has to have the following structure: a short introduction (1-2 pages), 2-3 equally weighted sections and conclusion (1 page), summary 7-10 sentences in article's language (to indicate a range of problems and research results);
- an article must have per-page citations as well as References at the end of the article. Citations should be indicated with a figure without brackets and dots by virtue of Microsoft Word references.

To improve the quality level of scientific citations in the scientometric database [Open Ukrainian Citation Index \(OUCI\)](#), it is important to indicate **DOI** for every source which it has.

**Attention!** References are in a source language and executed taking into account the National Standard of

Ukraine [DSTU 8302: 2015 “Information and documentation. Bibliographic reference. General principles and rules of composition”](#).
