

STRONGER TOGETHER
Researchers are united!

Cuiavian University in Włocławek

Admiral Makarov National University of Shipbuilding

Dear colleagues!

We invite you to participate in the activities of authors' team in order to elaborate a collective monograph

«Achievements of Ukraine and EU countries in technological innovations and invention»

Scientists, lecturers and postgraduate students are invited to participate in elaborating the collective monograph. Research papers of postgraduate students should be coauthored with a scientific adviser.

The future publication will be a result of the activities of the authors' team united by a common idea to present achievements of their researches.

Editorial Board:

- dr **Marcin Mańkowski**, Cuiavian University in Włocławek;
- dr **Wiesław Pędziak**, Cuiavian University in Włocławek;
- dr **Adam Pieńkowski**, Cuiavian University in Włocławek;

- PhD in Engineering, Professor **Yevhen Ivanovych Trushliakov**, Rector of Admiral Makarov National University of Shipbuilding;

- Doctor of Law, Professor **Oleh Yuriiovich Dubynskyi**, Professor at the Department of Maritime and Commercial Law, Vice Rector for Scientific-Academic Affairs of Economic, Legal and Social Issues of Admiral Makarov National University of Shipbuilding.

Why is the publication of the monograph section valuable?

(for fulfilling the licensing conditions, for obtain the degree of Doctor and Candidate of Sciences, for awarding the degree of Doctor of Philosophy (PhD), for young scientists)

LEARN MORE

The monograph is published by the European publishing house “Izdevnieciba “Baltija Publishing” (Riga, Latvia) and recommended for printing by the institution’s academic council. Three reviewers, who are mentioned in the monograph’s output data, guarantee an independent review. The monograph is awarded **ISBN** that permits authors to participate in developing the collective scientific paper published in the country of the EU.

DOI is assigned to every article included in the collective monograph that allows the authors to find their scientific work on the [Open Ukrainian Citation Index \(OUCI\)](#) site, which was developed by specialists of the State Scientific and Technical Library of Ukraine on behalf of the Collegium of the Ministry of Education and Science of Ukraine.

The monograph will be available on the website of the European publisher “Izdevnieciba “Baltija Publishing” [at the link](#).

The authors of the collective monograph’s section receive an electronic layout of the collective monograph and a certificate.

Key Dates:

The submission of application forms and articles for publishing in the monograph: before August 31, 2022 (inclusively).

Feedback on papers acceptance: within 1–2 working days after papers receipt.

E-mail distribution of the monograph’s layout and the certificate: after November 9, 2022.

Registration Procedure:

To publish contributions in the collective monograph, authors should act as follows:

1. [fill in an application](#) form and send a manuscript to tech@cuesc.org.ua for peer-review **before August 31, 2022**;
2. send a copy of the payment confirmation following the manuscript's approval for publication.

Re: COLLECTIVE MONOGRAPH IN TECHNICAL SCIENCES.

Target Topics of the Monograph:

1. Informatics and cybernetics.
2. Electronics, radio engineering and communications.
3. Automation and computer technology.
4. Electrical engineering.
5. Power engineering.
6. Metallurgy.
7. Mechanic engineering.
8. Construction.
9. Transport.
10. Architecture.
11. Light industry.
12. Food industry.
13. Chemical technology and industry.
14. General issues of the technical sciences.

Requirements for Articles' Execution:

An article should be a holistic document of scientific content that involves the results of the author's original researchers.

The volume of the monograph subsection should be at least 15–30 pages. A4 paper format, line space – 1,5; Times New Roman, 14 size; all margins – 20 mm.

Three persons are a maximum number of authors.

Languages: Polish, English and Ukrainian.

Article general structure:

Monograph section name; author's surname and initials in the publication's language.

A paper should have the following structure: a short introduction (1–2 pages), 2–3 equally weighted sections and conclusion (1 page), summary: 7–10 sentences in the article's language (to indicate a range of problems and research results).

The article must have per-page citations as well as References at the end. Citations should be indicated with a number without brackets and dots using Microsoft Word references.

To improve the quality level of scientific citations in the scientometric database Open Ukrainian Citation Index (OUCI), it is important to indicate **DOI** for every source which it has.

Attention! References are in a source language and executed taking into account the National Standard of Ukraine DSTU 8302: 2015 “Information and documentation. Bibliographic reference. General principles and rules of composition”.

Author's full name and information: scientific degree and rank, post, affiliation; address of employment place (in English regardless of the publication's language).

Attention! In case of submitting a non-English article, an author should additionally submit an English name of the section and its structural elements (subsections) (see a design sample).
