

Transport and Telecommunication Institute

International scientific conference

New development areas of digitalization at the beginning of the third millennium

December 10–11, 2021

Riga, the Republic of Latvia

Scholars, postgraduate students as well as students of HEI and research institutions are invited to participate in the international conference.

➤ HEAD OF THE ORGANIZING COMMITTEE

- dr. sc.ing., full prof. **Aleksandr Medvedevs**;
- dr.sc.ing., prof. **Iyad Alomar**;
- dr.sc.ing., prof. **Dmitry Pavlyuk**.

➤ REGISTRATION PROCEDURE

Form of participation: distant. Persons who are interested in participation in the international conference should send the following documents to Organising Committee **before December 7, 2021 (inclusively)**:

- 1) [fill an application form](#);

2) send the abstracts to Organising Committee: tech@cuesc.org.ua. The title of a file should meet surname of a speaker indicating Abstracts – for abstracts.

The title of a file should meet surname of a speaker indicating Application – for application form, Abstracts – for abstracts. For example: Ivanov_Abstracts.

Re: TECHNICAL CONFERENCE IN REPUBLIC OF LATVIA.

➤ SECTIONS

- | | |
|--|--|
| 1. Information systems and technologies | 13. Automation and tool engineering |
| 2. Applied mechanics | 14. Chemical technologies and engineering |
| 3. Materials science | 15. Biological technologies and bioengineering |
| 4. Industrial engineering | 16. Electronics and telecommunications |
| 5. Aviation, rocket and space equipment | 17. Food technologies |
| 6. Shipbuilding | 18. Technologies of consumer goods industry |
| 7. Metallurgy | 19. Environmental technologies |
| 8. Electric power engineering, electric engineering and electromechanics | 20. Architecture and construction |
| 9. Power engineering | 21. Transport |
| 10. Nuclear power engineering | 22. General issues of engineering sciences |
| 11. Heat power engineering | |
| 12. Hydropower engineering | |

➤ CONDITIONS OF PARTICIPATION

All Ukrainian participants will be provided with a collection of abstracts and a certificate of participation authenticated by seal. Participants of the conference will have an opportunity to present

the collection of abstracts and certificate as evidence of participation in the international conference that took place in the EU country.

Each participant of the conference receives a certificate with the volume of competence development mentioned (15 hours – 0.5 ECTS credit).

DOI will be assigned for each abstract from the conference's collection of abstracts, enabling authors to find their scientific work at the website of [Open Ukrainian Citation Index \(OUCI\)](#), which was developed by the specialists of the State Scientific and Technical Library of Ukraine by order of the Collegium of the Ministry of Education and Sciences of Ukraine and released on November 12, 2019. The collection will be awarded with ISBN (International Standard Book Number) by European publishing house. *Certificate is a document confirming participation in the activities of a scientific conference (congress, symposium, and workshop) that took place in the EU country according to paras. 5.2, 7.3 Section 2 of the Procedure for awarding degrees to academic staff approved by the Order of the Ministry of Education and Science of Ukraine dated January 14, 2016, № 13.*

➤ **REQUIREMENTS FOR ABSTRACTS**

Title is in the middle (in capitals, Times New Roman № 16, bold type).

After one spacing, in the centre there is full name, academic degree, rank (if any), post, department, full name of the institution where an author studies or works, city, country; Times New Roman № 14.

After one spacing there is a text which should meet the following requirements: A-4, all fields – 2 cm, Times New Roman № 14, line spacing – 1,5.

References (without repetitions) are at the bottom of the text taking into account the National Standard of Ukraine [DSTU 8302: 2015 “Information and documentation. Bibliographic reference. General principles and rules of composition”](#). Citations in the text should be marked with numerical order of a source according to the list and page (pages) number, for example [7, p. 16].

Text volume is **up to 5 pages** including References.

Languages: Latvian, English, Ukrainian, Russian.
