Re: **FOR THE MEDICAL SCIENCES CONFERENCE.**

SECTIONS

1. Clinical medicine: experience and innovations.
2. Theoretical medicine: basic development trends.
3. Pharmaceutical sciences.
4. Medical and Biological sciences: innovations of the future.
5. Preventive medicine: the current state and prospects.
6. Veterinary medicine.

CONDITIONS OF PARTICIPATION

All Ukrainian participants will be provided with a collection of abstracts and a certificate of participation authenticated by seal. Participants of the conference will have an opportunity to present the collection of abstracts and certificate as evidence of participation in the international conference that took place in the EU country.

Each participant of the conference receives a certificate with the volume of competence development mentioned (15 hours – 0.5 ECTS credit).

DOI will be assigned for each abstract from the conference's collection of abstracts, enabling authors to find their scientific work at the website of [Open Ukrainian Citation Index \(OUCI\)](#), which was developed by the specialists of the State Scientific and Technical Library of Ukraine by order of the Collegium of the Ministry of Education and Sciences of Ukraine and released on November 12, 2019. The collection will be awarded with ISBN (International Standard Book Number) by European publishing house. *Certificate is a document confirming participation in the activities of a scientific conference (congress, symposium, and workshop) that took place in the EU country according to paras. 5.2, 7.3 Section 2 of the Procedure for awarding degrees to academic staff approved by the Order of the Ministry of Education and Science of Ukraine dated January 14, 2016, № 13.*
