Scientific and pedagogical internship

***Problems of education quality management
in the service industry and ecology***

Sucha Beskidzka, the Republic of Poland
January 30 – March 12, 2023

We kindly invite academic and research staff of Ukrainian higher education institutions (I–IV accreditation level) to take part in the internship designed to provide insight into innovative European approaches to educational services, the latest unique teaching methods, the main development trends in ecology, economics and management in the European Union, in particular, in the Republic of Poland.

Workload of the internship has **6 credits ECTS (180 hours)** and distributed 6 hours each day for 6 business weeks.

Every internship participant receives *a certificate* of completion of a scientific and pedagogical internship (in two languages with the specification of the hourly program) and *a printed collection of abstracts*.

The certificate of completion is a document confirming completion of the scientific and pedagogical internship in a scientific institute of EU country and which is necessary **for obtainment of academic rank of Associate Professor, Professor and Senior Research Fellow**, according to paras. 2.1, 2.2, 2.3, 2.5, 2.7 of Procedure for awarding degrees to academic staff (given the latest amendments under the Order of the MES of Ukraine No. 322 dated 17.03.2021) as well as for licensing and accreditation of educational services.

Form of participation: distant.

Language: Polish, English, Ukrainian
