INFORMATION LETTER

Kyiv 2024

A scientific conference with international participation that aims to attract young scientists and students

«COMPLEMENTARY/FOLK MEDICINE, EDUCATION, CULTURE: FROM TRADITIONAL PRACTICES TO CLINICAL RESEARCH». dedicated to the ASSOCIATION 20th anniversary and 22- anniversary of PROFESSIONAL PUBLICATION OF UKRAINE («B», category SCOPUS-2024) «Phytotherapy. Chasopys» (here after – Conference)

Attendees, guests, and colleagues—welcome!

We are delighted to invite you to attend the scientific conference with international participation, titled «Complementary/folk medicine, education, culture: from traditional practices to clinical research», which is dedicated to the 20th anniversary of Association of Specialists in Folk and Alternative Medicine of Ukraine and 22- anniversary of professional publication of Ukraine («B», category SCOPUS -2024) «Phytotherapy. Chasopys»

The scientific event and press-conference aim to cover the topic "Health and a healthy lifestyle – from plant to man" and it will specifically explore the utilization of natural, complementary/alternative methods (referred to as CAM) based on evidence-based medicine principles in complex and restorative therapy, as well as physical and medical rehabilitation.. The Conference has been officially registered and included in the “Register of congresses, symposiums, scientific and practical conferences, scientific seminars, and plenums to be held in 2024 by the Ministry of Education and Science, Ukraine.

The conference will be conducted in both offline and online formats:

Scheduled to take place between June 13 and 14, 2024, from 10.00 a.m. to 4.00 p.m.

Location: National Scientific Medical Library of Ukraine, st. Hetman Pavlo Skoropadsky, 7, Kyiv (metro station «Ukrainian Heroes Square»), Conference Hall;

The objective of the Conference and press conference is to discuss the current state of fundamental and clinical research of the complementary/alternative (traditional and non-

traditional) medicine (hereinafter CAM) studies in the context of human health and healthy lifestyle. The next goal of the Conference and press conference is to discuss the possibilities to implementation the CAM disciplines in the preventive, health improving and rehabilitation practices, education, culture as components of health in the medical systems of Ukraine and of the world.

In particular, it is planned to cover the main scientific and methodological issues in the discussion and on the pages of the scientific and practical publication – «Phytotherapy. Chasopys». This journal has been included in the List of scientific and practical professional publications of Ukraine (category «B»). On the 24th of January, 2024 the journal «Phytotherapy. Chasopys» has been also entered for SCOPUS in the next sciences: biological sciences (specialty: 091.Biology) in accordance with the Order of the Ministry of Education and Science of Ukraine dated 15.04.2021 No. 420 (Annex 3), medical and pharmaceutical sciences (specialties: 222.Medicine, 226.Pharmacy, industrial pharmacy) in accordance with the Order of the Ministry of Education and Science of Ukraine dated 27.09.2021 No. 1017 (Annex 3), (specialty 227.Therapy and rehabilitation) in accordance with the Order of the Ministry of Education and Science of Ukraine dated 06.06.2022 No.530 (Annex 2).
